Affordable Vision Insurance For Truckers

While shopping for an affordable plan, it is important to look not only at price, but benefits as well. A low-cost plan that doesn't cover what you need may not be a good value after all. Make sure you inspect the fine print to ensure procedures you want are covered and check for length of waiting periods too. Comparing all the vision plans available today may be challenging—but with Direct Vision, you'll find many good options. With Direct Vision, you'll find flexible, affordable plans that help fit your needs and those of your family.

With a Direct Vision plan you will enjoy:

- No Waiting Periods
- Guaranteed Issue
- No ID Cards or Claims Forms Required
- Annual Eye and Vision Exams
- Great Frame Choices with a \$150 Allowance
- Contact Lenses Covered
- Lasik Discount Offers

When reviewing the Direct Vision plans, you'll find easy-to-read charts that feature plan highlights, rates and deductibles. And remember, you can choose from EyeMed or VSP network plans.

At Direct Vision Insurance our customer service department is ready to assist you with any questions you may have and help you today in purchasing the best plan for you and your family's needs. Start a quote and see the affordable coverage!
